

**DEFENDANT SCOTT'S SPLASH LAGOON, INC.'S REQUEST
FOR ADMISSIONS TO PLAINTIFF**

NOW COMES the Defendant, Scott's Splash Lagoon, Inc., by and through its attorneys, MURPHY TAYLOR, L.L.C. and propounds these Requests for Admission to Plaintiff Tanielle Shurney, requiring responses within thirty days after service.

If objection is made, the reasons for the objection shall be stated. Plaintiff's answer must specifically admit or deny the matter or set forth in detail the reasons why Plaintiff cannot truthfully admit or deny the matter. A denial shall fairly meet the substance of the requested admission, and when good faith requires that Plaintiff qualify an answer or deny only a part of the matter to which an admission is requested, she shall specify so much of it as is true and qualify or deny the remainder. The Plaintiff may not give lack of information or knowledge as a reason for failure to admit or deny unless she states that she has made reasonable inquiry and the information known or readily obtainable to her is insufficient to enable her to admit or deny. The Plaintiff may not object to the request on the basis that the matter of which an admission has been requested presents a genuine issue for trial.
